Namaste and Jayshree Krushna

The Samaj Committee has had a little shuffle around at the recent AGM this May. Having been the Assistant Secretary for a few years I have now taken on the role of Secretary as our dear Yogeshbhai takes on the role as President, we also had some new faces join our committee. It's always good to have new faces as they bring new ideas.

Since our last newsletter in autumn, we have been planning for the summer. We have already had the Mahila Samelan, the Senior Samelan and our local AGM so far this year and we have our next few events lined up for you. The Annual BBQ at Wicksteed Park in Kettering will be held on 26th July, those of you who have attended before know we have lots of fun and if you have not attended before make sure you do so this year!! A few weeks after this, yes we are still making use of the

summer, we have the Beach Trip to Eastbourne on 9th August, a great day out where you can bring along your friends as well as family.

Just as the summer starts to end we still have not stopped planning....we will be heading into our busy festive months we are currently planning for the Bhajan Bhojan, Dinner and Dance and Christmas. If you want details of these events as soon as we have dates we will be publishing these on our website and Facebook pages. Please make sure we have your up-to-date details especially your email addresses as we are trying to move into the digital age.
